TEME ZA ŠOLSKO TEKMOVANJE:

1. From pirates to phishermen – does the internet increase crime?
2. Obesity is on the rise all over the world. Discuss the possible consequences. Should governments do more to regulate how much people eat and exercise?
3. Should there be special sporting events for athletes who want to use performance-enhancing drugs?
4. How can schools prevent cheating?
5. Should all nations open their borders to people in need (refugees) – or are nations right to reject any, many, or all of them?
